Home Club members have testing priority as long as form and payment are received prior to the deadline. Applications will be accepted on the basis of when the application is received as well as the availability of ice time and judges. Test forms will not be accepted nor spots held without payment. Deadline serves as an ending date to accept applications and in no way guarantees a skater a testing spot.

Skaters should be at the rink one hour prior to their scheduled warm-up.

The schedule will be emailed to skaters/coaches at least 2 days before test day.
